ne did not know, but in case it should, he wished to forestall such action by the adoption of a resolution by this House the House. He appealed to every honest man, who wished to have these swindlers blazoned to the public, to support him in this movement. He had been informed by the Chairman of the Committee that the summons for Messrs. Littlefield and Swepson had been

placed in the hands of the Sheriff of this county on the 22d of February last, &c. Mr. Durham hoped that the motion to postpone would prevail, and that the rules would be suspended and Mr. Pou's resolution adopted. The House was pledged to investigation and the Senate too was pledged to it. Was it not strange that as soon as two of the most important witnesses appeared, (though one had since run or gone away,) that there should be an effort in the Senate to abolish the Committee? He heard on the floor of the Senate a Republican Senator declare that nineteen Senators met privately, last night, and resolved to abolish this committee .-He declared that the action of these Senators showed plainly that they were partieps criminis, and if he knew them he would denounce them by name. If his information was correct, he would not hesitate to denounce this as a bold stroke by men deeply implicated in these swindles to

defeat a thorough and effective investigahon, &c. Mr. Pou's motion to postpone was put tion to a new county. Referred.
